# Workshops

Choose **THREE** of the nine options below. (Pastors' wives choose two, plus #10 if you want to attend a special pastors' wives meeting on Friday.)

## 1. Teaching Faith to Our Future Generations - Ana Ayers

Parenting consists of teaching our children from birth all the way through their teenage years. We will be studying together what God's Word has to say about teaching our children to walk in faith. This workshop is for moms with kids of all ages.

## 2. Facing the Future After Losing Your Mate: There's LIFE After Death!

- Marlene Burling

This workshop is not just for widows, but for those ministering to widows or those who want to receive helpful information for the future, because we never know when a loved one may be taken. We can face the future even while we are grieving.

## 3. Facing the Future with Purity: Hope for Struggling Women - Melanie Hammond

Pornography, gender identity issues, and illicit sexual involvements among women have reached epidemic levels. As our culture becomes more distorted and confused on this issue, we need to learn to respond to struggling people biblically with truth and compassion.

## 4. Fearless Daughter: Living in the Love of Your Heavenly Father - Ingrid Seamans

Many women live with daily uncertainty as to whether God truly loves them. This workshop will explain what it means to be accepted by God based on Christ's righteousness, not our own from Ephesians 1& Romans 8. It will include illustrations from our own adoption story, and what it means to live as sons and daughters rather than orphans.

## 5. Boast and You're Toast: The Danger of Pride in a Believer's Life - Jim Vogel

What the Bible says about pride and humility- and why it matters in our homes, communities, and churches.

## 6. Facing the Future with Fitness: How to Avoid Making Excuses about Getting in Shape - Suzanne Beltz

Have you struggled with sticking to a workout plan? Do you have a hard time fitting fitness into a busy schedule? Do you have physical ailments keeping you from doing what you wish you could? Come gain tips, encouragement, and motivation to fit training into a busy life while keeping priorities in line and maybe even reaching the unsaved while you do it!

## 7. Intimacy: Our Desire and God's Design for the Future of our Marriages - Doris Hurlbut

Most women long for intimacy in their marriage- physical, emotional and spiritual. God's design for marriage beautifully provides such a relationship. Let's discover some obstacles and pathways to a more intimate relationship with our husband.

## 8. The Church & Abortion: What We Can Do to Make a Difference in the Future - Emily Wilcox

In the United States 1 in 3 women will have an abortion by the time they are 45. In your church, they are there, women silently suffering from a past abortion or abortions. It's not a political issue; it's a LIFE issue. Emily will share ways everyone can join the fight against abortion, not just in words but with action.

## 9. Sunday's Cool! Courtney Dyer

We want kids to celebrate, not tolerate, Sunday mornings. Join us for a look into how we aim to package timeless truths into fun environments that engage, involve, and challenge kids.

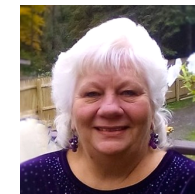

## 10. Just for Pastor's Wives: Effective Ideas for Outreach Ministry for Large & Small Churches - Judy King, Moderator

5 Pastor's Wives will share practical outreach events. Sharing and getting to know each other will make this workshop special to all pastor's wives who can attend.
