NORTHEAST FELLOWSHIP NEWSLETTER

Networking Churches - Equipping Leaders - Fostering Church Health

Dear friends,

As we head down the stretch to the 2020 national election, it is often discouraging to watch or read the news. It always seems to have a negative bent and reminds us of what is wrong in the world. But it is such a great truth that as believers, we have Good News to share, no matter what the other news might focus on locally or nationally. As you head into the fall season of ministry, let's continue to pray for each other as each of our churches and NF ministries seek to share that Good News through various means. Psalm 96:2 - "Sing to the Lord, bless His name; Proclaim the good news of His salvation from day to day."

Your Co-Laborers,

*Brian and Judy
Jim and Jeannie*

Looking for a missions/VBS project?

Perhaps you would consider the needs at our Ministry Center training and hospitality facility. We could use donated office supplies (copy paper, stamps, tape, etc) as well as hospitality items (paper and plastic products, coffee, cleaning supplies, etc.) Contact Jim or Jeannie if you can help.

Prayer and Praise

1. The Little White Church (Conklin Center Baptist Church) has merged with the West Windsor Baptist Church! It is the result of months of praying and planning – and is a reason for rejoicing and praise! Your prayers are appreciated as these two congregations have already begun to work and serve together.
2. Be in prayer for this fall's Bible Conference in Preble – not only for Dr Stallard as he speaks, the Pre-conference for pastors and wives, the Doctrinal Thinkubator, the opportunities of good fellowship, etc. – but especially as we hear from Brian and Judy King and consider Brian as our next NF Executive Director as was discussed at last year's annual business meeting.
3. Also be in prayer for our other upcoming Fall events – the Recalibrate Pastors Forum on 5 September 2019, and the Ladies Advance – now called: Renew! Pray that God would use His Word to challenge and equip us to grow spiritually and serve more effectively.
4. Continue to pray for our churches without lead pastors – currently 25 such churches. And for Brian and Jim who help churches with their search process as desired and seek to find pastors to recommend to the churches.
5. Pray for the Vogels and Kings in their travel and ministry in the churches. We put many miles on our vehicles as we visit pastors and wives – consult churches in health and growth, report of the ministries of the Network - and preach the Word of God!
