NORTHEAST FELLOWSHIP NEWSLETTER

Networking Churches - Equipping Leaders - Fostering Church Health

Dear friends,

As we survey the vibrant fall colors in the Northeast, their beauty reminds us of the splendor of God's handiwork. People that don't even know the Creator, take yearly trips to enjoy our fall foliage. But as believers, we have the privilege of thanking and praising the One who Created all things.

We are thankful not just for God's beautiful handiwork, but for His ministry in our lives. Our fall RENEW conference, with Julie Henning and many workshop leaders, was definitely blessed by God. We saw God work in people's lives regarding salvation, commitment to Him, and even decisions about pro-life issues. We look forward to what God will do in the Fall Bible Conference and Marriage Refresh still coming this year. And, of course, we are excited about what God is accomplishing through His church in so many locations across our region. It's a wonderful thing to serve the Lord together.

Your Co-Laborers,

*Brian and Judy
Jim and Jeannie*

 Perhaps you would consider the needs at our Ministry Center training and hospitality facility. We could use donated office supplies (copy paper, stamps, tape, etc) as well as hospitality items (paper and plastic products, coffee, cleaning supplies, etc.) Contact Jim or Jeannie if you can help.

Pastoral Changes

- Bruce Scott will be completing his ministry at West Danby next month
- Jim Saunders has completed his ministry at Belfast
- Dan Chappell is the new Associate Pastor at First Baptist in Horseheads
- Paul Brown is the new pastor at Glen Baptist, Watkins Glen

Prayer and Praise

1. Please be in special prayer for our Fall Conference in the light of the important leadership decision we are making concerning Brian King and our future Executive Director role. If the vote is positive, it will become effective sometime in 2020. And pray for the transition for the Vogels as Jim and Jeannie continue to serve in a part time role. They love our churches and will be writing, consulting, mentoring and heading up the training aspects of the ministry.
2. Praise God for another outstanding Renew Conference last month! Approximately 450 ladies attended and were challenged from Julie Henning's testimony of God's grace and provision! Praise the Lord for the continued growth of this conference.
3. There's also good news regarding our Pastor-less churches. Several of the churches we have helped and prayed for have now called pastors and our overall number of churches without lead pastors is now down to 20. Progress is being made. Thanks for your prayers for these churches.
4. Pray regarding the newer ministries of our Network related to helping churches with health and growth (our OUTWARD, FORWARD AND UPWARD Training events). . .and for our ongoing financial needs as a Fellowship. We are grateful for Gods provision and do not take the faithful gifts of our churches and individuals for granted.
5. Pray for the Vogels and Kings in their travel and ministry in the churches. We put many miles on our vehicles as we visit pastors and wives – consult churches in health and growth, report of the ministries of the Network - and preach the Word of God!
