Workshops – Choose 3

1. The Lord Is My Shepherd; I Shall Not Want?

Barb Mowers

As a veteran pastor's wife of 30+ years and a missionary to South Africa, Barb is ready to discuss this topic and uncover the Scriptural foundations for living a life marked by contentment.

2. He Restores My Soul: Finding Peace After Abuse, Addiction and Same Sex Attraction

Connie Rosenberger with Liz Lloyd

From victim to victory, Connie shares how in Christ she overcame sexual and substance abuse and broke free from same sex attraction. Connie's mentor and pastor's wife, Liz Lloyd, joins her in the retelling.

3. The Beauty of Our Shepherd

Amanda Sand

Join this pastor's wife as she leads us to pause and notice the timeless truths of our Shepherd's character while discussing how it affects our everyday lives.

4. Shepherding a Child's Heart

Sharon Smith

With years of parenting experience and teaching on the subject, Sharon shares solid biblical parenting advice on how to speak to the real issues of a child's heart and ultimately influence his/her choices

Based on principles from the book by the same name (author Tedd Tripp).

5. Caring for the Littlest Lambs: Infant and Toddler Care

Kiersten Lanning, Juliana Leary, Katy Mowers

With 19 children between them, this panel of moms has advice for new moms, outnumbered moms, moms-in-waiting, aunties and even nursery workers who are looking for the "big idea" and the "little details" that make baby and toddler care a joy!

6. Understanding the Under-Shepherd and His Wife

Brian King

The Lord has given the Church representatives of Himself to serve us! These pastors play a unique role in our lives and deserve our loving support, prayer, and practical partnership. We bless them most when we love their wives and children too!

7. Leaving the Ninety-Nine to Seek the One

Julie Rosati

With a passion for life and the lost, Julie shares how she and her husband are involved in discipling the next generation in rescuing pre-born children from abortion, promoting a culture of life, and winsomely sharing the Gospel on the streets.

8. & 9. Unfiltered (For Young Ladies)

Kristen Cook

This 2-part workshop explores the communication "filters" of a 40ish Christian mom and a 20ish Christian daughter, filters that often lead to misunderstandings. We will learn how to gain perspective from each other's generation and see what we've been filtering out all along.

SPECIAL OFFERING

This year we have witnessed a tremendous cultural shift regarding the sanctity of life. Pregnancy centers are experiencing increased threats and violence. Our state government has made strident steps to remove protection and promote a culture of death through discriminatory overregulation of pro-life agencies.

This year's special offering will be directed to several pregnancy centers in New York State that stand for biblical standards of life. Together we can do so much for the cause! Thank you for your prayerful part in supporting these ministries.

Offering Goal: \$5,000
