

NORTHEAST FELLOWSHIP NETWORK NEWS

FALL 2023

Networking Churches | Equipping Leaders | Fostering Church Health

Are you and your church ready to go to the NEXT LEVEL this fall?

"Grow in grace and in the knowledge of our Lord Jesus Christ" II Peter 3:18

In his final Scriptural words, the Apostle Peter, who had "seen it all" and now aimed to "tell it all", stressed our need for growth in grace, movement toward maturity, furthering our faith.

Your Northeast Fellowship shares this desire and offers to help you reach the next level . . . with weekend seminars and services right at your church to help you reach the next level in key areas including outreach, becoming a welcoming church, updating your facility, strategic planning and revitalization. Pray about what area to address, then plan the process by checking our directors' schedules at nfibc.org/about/itinerary and scheduling a time of training.

. . . with special events for men, women, teens, married couples, church leaders and volunteers:
