

## A brown envelope is shown with a white label in the center. The label has the word "yes" in a large, cursive font, followed by "YOU CAN" in a smaller, sans-serif font. The label is decorated with small blue stars. The envelope is surrounded by several small, light brown heart and star stickers. A wooden pencil with a pink eraser and a sharpened lead tip is positioned to the right of the envelope. The entire scene is set against a plain white background.
